

Spyre Therapeutics Announces Grants of Inducement Awards

January 23, 2026

WALTHAM, Mass., Jan. 23, 2026 (GLOBE NEWSWIRE) -- Spyre Therapeutics, Inc. (NASDAQ: SYRE) (the "Company" or "Spyre"), a clinical-stage biotechnology company pioneering long-acting antibodies and antibody combinations to redefine the standard of care for inflammatory bowel disease and rheumatic diseases, today announced that Spyre's independent Compensation Committee of the Board of Directors approved the grant of stock options to purchase 108,155 shares of common stock of Spyre to an employee, Kate Chevlen, in connection with her appointment as Chief Commercial Officer, as an equity inducement award under the Spyre Therapeutics, Inc. 2018 Equity Inducement Plan, as amended (the "2018 Plan"). The stock options were approved on January 22, 2026 and were material to the employee's acceptance of employment with Spyre, in accordance with Nasdaq Listing Rule 5635(c)(4).

The stock options were granted with a 10-year term and an exercise price equal to \$34.09, the closing price per share of Spyre's common stock as reported by Nasdaq on January 22, 2026. The options granted to the employee shall vest and become exercisable as to one-fourth (1/4th) of the shares subject to the respective options on the first anniversary of the employee's start date, and one-forty-eighth (1/48th) of the shares subject to the respective options shall vest and become exercisable monthly thereafter, in each case, subject to continuous service with Spyre through the applicable vesting dates. The stock options are subject to the terms of the 2018 Plan.
