

Spyre Therapeutics Announces Grants of Inducement Awards

March 7, 2025

WALTHAM, Mass., March 7, 2025 /PRNewswire/ -- Spyre Therapeutics, Inc. (NASDAQ: SYRE) (the "Company" or "Spyre"), a clinical-stage biotechnology company utilizing best-in-class antibody engineering, dose optimization and rational therapeutic combinations to target improved efficacy and convenience in the treatment of IBD and other immune-mediated diseases, today announced that Spyre's independent Compensation Committee of the Board of Directors approved the grant of stock options to purchase 132,200 shares of common stock of Spyre to five non-executive employees as equity inducement awards under the Spyre Therapeutics, Inc. 2018 Equity Inducement Plan, as amended (the "2018 Plan"). The stock options were approved on March 3, 2025 and were material to each employee's acceptance of employment with Spyre, in accordance with Nasdaq Listing Rule 5635(c)(4).

The stock options were granted with a 10-year term and an exercise price equal to \$19.49, the closing price per share of Spyre's common stock as reported by Nasdaq on March 3, 2025. The options granted to each employee shall vest and become exercisable as to one-fourth (1/4th) of the shares subject to the respective options on the first anniversary of the employee's start date, and one-forty-eighth (1/48th) of the shares subject to the respective options shall vest and become exercisable monthly thereafter, in each case, subject to continuous service with Spyre through the applicable vesting dates. The stock options are subject to the terms of the 2018 Plan.

About Spyre Therapeutics

Spyre Therapeutics is a clinical-stage biotechnology company that aims to create next-generation inflammatory bowel disease (IBD) and other immune-mediated disease products by combining best-in-class antibody engineering, dose optimization, and rational therapeutic combinations. Spyre's pipeline includes investigational extended half-life antibodies targeting $\alpha 4\beta 7$, TL1A, and IL-23. For more information, visit Spyre's website at www.spyre.com.
